SUBJECTS OF INTEREST ON A WORLDWIDE BASIS

A. INDUSTRY

Administration, systems, facilities and equipment, products or services, of the following industries. (General information on these industries as well as that on specific installations is of interest).

1. Production Industries

- a. Agriculture
- b. Chemical industry
- c. Electric power
- d. Electronics
- e. Fishing
- f. Forestry
- g. Fuels
- h. Guided Missiles
- i. Mining
- j. Nuclear Energy
- k. Petroleum
- l. Rubber
- m. Shipbuilding

2. Service Industries

- a. Construction
- b. Finance
- c. Telecommunications
- d. Trade
- e. Transportation, to include the following facilities:
 - (1) Roads
 - (2) Railroads
 - (3) Airfields
 - (4) Air routes and distances
 - (5) Waterways
 - (6) Ports
